

❄️ YOU ASKED. SHIVER DELIVERED.

ALL-NEW TypingAgent

You spoke. **We listened.** Then we rebuilt the mountain.

A whole new world of typing, writing, Spanish, coding & digital citizenship, wrapped in a mountain adventure that makes students *want* to log in. Same private-by-design platform. Now we're even more fun.

NEW Brand-new this release

Blizzard Type 3+

Our newest core keyboarding curriculum for grades 3+, with Shiver as your guide.

Writers Workshop 2+

Revise, not just turn in. Next-gen writing tool built for the AI era, grades 2+.

K-2 Spanish Typing

Accent-accurate Spanish vocabulary and keyboarding as a practice activity.

New Avatars

Fresh, customizable characters so every student makes the climb their own.

Summit Arcade

Gamified typing practice with GritCoins, Ice Chests & leaderboards.

New Student Interface

The Summit Isles world map. Students arrive on an adventure, not a dashboard.

THE NEW STUDENT EXPERIENCE

Welcome to Summit Isles

Students no longer just log in. They *arrive*. Floating islands become learning zones, every session feels like a mission, and progress turns into XP, levels, and rewards worth coming back for.

GritCoins

★ XP & Levels

Ice Chest Unlocks

Leaderboards

Blizzard Peak TYPING

The core keyboarding hub: Essentials & Type Your Own Adventure.

Summit Arcade GAMES & REWARDS

Typing games with GritCoins, Ice Chests and leaderboard glory.

Black Diamond Village DIGITAL CITIZENSHIP

Digital citizenship, safety & online literacy for young explorers.

Codewreck Cove CODING

Logic, loops & lost treasure through story-driven coding.

New Games & What We Improved

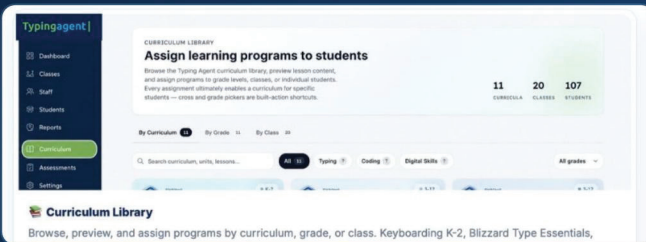

UPDATED

Built with your **feedback**

New Teacher Dashboard

Assign by curriculum, grade, or class—cleaner, faster, no digging required.

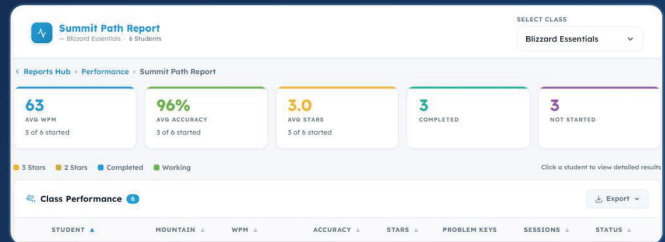

- ✓ One-click access to classes & settings
- ✓ Cleaner, unified interface

Reporting, Your Way

Deeper insight across Performance, Activity, Assessments & Admin reports—categorized and pinnable.

- ✓ Categorized & searchable reports
- ✓ Pin your most-used report views

DIGITAL CITIZENSHIP HEROES

Train to become a smart, safe, and kind online hero.

FEATURED MISSION

Cyber Kindness

Spread positivity and respect everywhere you go online.

Start Mission →

Password Power

Fact vs. Fake

Private Info Shield

New digital citizenship & coding interface

Black Diamond Village and Codewreck Cove give digital citizenship and coding a fresh, story-driven home.

Accessibility

Language / Idioma

READING

VISION

Improved accessibility

Expanded supports including Spanish instructions, read-aloud audio and colorblind-safe cues, toggled per assignment.

We listened.

Every new world, feature and report started with feedback from teachers, tech directors and administrators like you. **This release is what you asked for**, built on the same secure, private-by-design platform schools and districts already trust.
