

THE NEW STUDENT EXPERIENCE

Welcome to Summit Isles

Students no longer just log in. They **arrive**. Floating islands become learning zones, every session feels like a mission, and progress turns into XP, levels, and rewards worth coming back for.

GritCoins

★ XP & Levels

Ice Chest Unlockables

Leaderboards

One world of learning

Blizzard Peak TYPING

The core keyboarding hub for building speed and accuracy.

Summit Arcade GAMES & REWARDS

Typing games with GritCoins, Ice Chests and leaderboard glory.

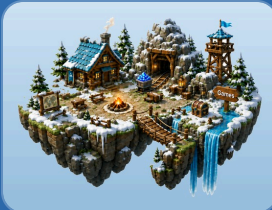

Black Diamond Village DIGITAL CITIZENSHIP

Digital citizenship, online safety & Google Applications.

Codewreck Cove CODING

Story-driven coding with beginning & advanced levels.

NEW TYPING GAMES

Summit Arcade: typing games students beg to play

A whole arcade of fast, replayable typing games where speed and accuracy earn real rewards. Practice never gets stale and students keep coming back to climb the leaderboards.

Earn GritCoins

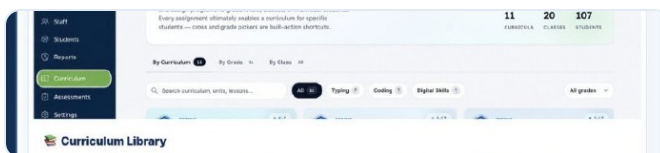

Unlock Ice Chests

Climb Leaderboards

XP & Levels

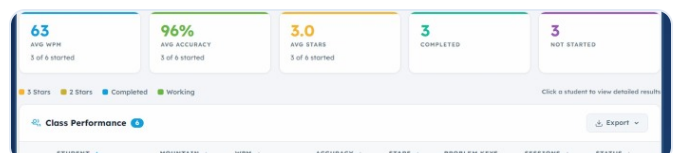

New Teacher Interface

Assign by curriculum, grade, or class. Cleaner, faster, one-click access, no digging.

Updated Reporting

Deeper, categorized insight across performance, activity & assessments. Pin what you use most.

Ready to ride the avalanche?
