

Every K–12 Student, Fluent in a Digital World.

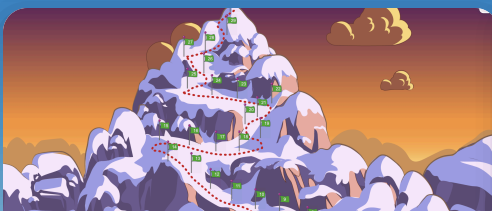

Typing is just the beginning. A proven K–12 platform for building confident typists with essential digital skills. From typing and coding to digital citizenship and SEL.

ALIGNED WITH NATIONAL & STATE STANDARDS

ACCESSIBILITY FOR EVERY LEARNER

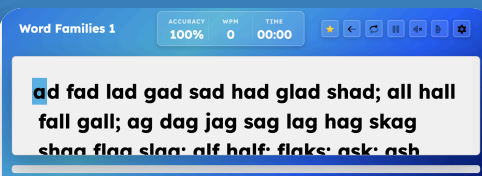

Typing · Coding · Digital Citizenship · SEL · Spanish · Gamification

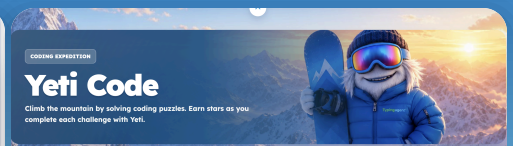

TYPING K-2 Mountain

Three mountains of gamified learning for our youngest typists: letters, numbers & punctuation, large fonts, and built-in accommodations.

TYPING Blizzard Type

Shiver personally guides every lesson, introducing each new key, home-row position, and correct finger placement.

CODING Yeti Code & Learn to Type Code

Yeti Code teaches real JavaScript: loops, functions, and parameters. Learn to Type Code blends typing with coding challenges.

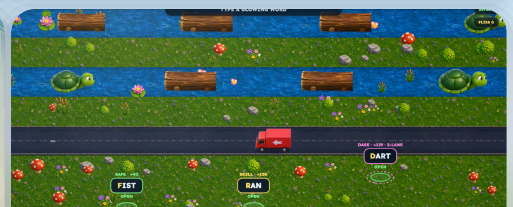

DIGITAL CITIZENSHIP Digital Citizenship

Superhero-themed Hero Missions build ISTE-aligned skills in literacy, etiquette, privacy, and online safety.

SEL SEL Adventure

Realistic, age-appropriate scenarios aligned to the 5 CASEL core competencies, built directly into typing practice.

GAMES Single & Multiplayer Games

Key Hopper, Blizzard Defense, Meteor Rush, and more. Fast-paced games that turn practice into play, solo or head-to-head.

★★★★★

Last Friday as school was being let out, students asked permission to work on Typing Agent over the weekend! Wow! This is typing success!

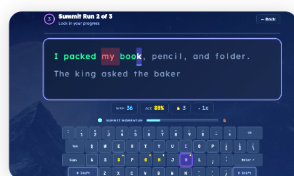

Denise F., Ross Valley Schools

★★★★★

Students LOVE this typing program, and staff loves how it also integrates coding, writing and editing tips, and multilingual support! ... the lessons are engaging and instructive.

New for 2026

Blizzard Summit Path ADAPTIVE TYPING

A different practice session for every student, built automatically from live typing data. No teacher setup required.

- ✓ Targets weak keys, mix-ups, and finger weakness at the pace each student needs
- ✓ Built-in supports (Frost Freeze, Accuracy Gate, Slow Mode) keep frustration low
- ✓ Teacher report shows problem keys, mix-ups, and finger strength at a glance

Writing Workshop GRADES 2-3, 4-5 & MS

Where young writers learn to revise, not just turn in. A new kind of writing tool for the AI era.

- ✓ Write. Reflect. Revise. Feedback in student-friendly language, one next step at a time
- ✓ "Try this first" names the single highest-leverage fix and models it: one next step, not a wall of red
- ✓ Students draft in a personal notebook, save their work and return to teacher feedback

Pío K-2 Spanish Typing GRADES K-2

Spanish vocabulary and keyboarding in one course, a standards-aligned introduction for emerging readers.

- ✓ Listen → Comprehend → Type → Reinforce: Pío says the word, a picture appears, and students type it letter by letter
- ✓ Accents taught properly (á é í ó ú ñ ü), with the modifier combo shown for Chromebook, PC, Mac & iPad
- ✓ Correct keys pop; incorrect ones gently shake and do not advance, so students never practice a mistake
